## ***MONTE VISTA WATER DISTRICT HONORS EMPLOYEES AT ANNUAL AWARDS EVENT***

### ***2015 “Employee of the Year” and Service Award Presented***

**MONTCLAIR, CA . . . . .** Hank Aceves of Pico Rivera was named “2015 Monte Vista Water District Employee of the Year” and one employee was recognized for 10 years of service at the district’s annual employee awards event held recently.

Aceves, water system supervisor, has been with the district since March 2010. His responsibilities include managing the Operations Department, maintaining proper water flow and storage levels in the district’s water distribution system, and operating the district’s 12 active groundwater production wells.

Co-workers who nominated Aceves for the award said “his integrity, knowledge and work ethic are a beacon for all of his co-workers.” According to his supervisor, Aceves “astutely manages the district’s water supply portfolio.”

Going above and beyond his job requirements, Aceves has obtained various certifications through the State Water Resources Control Board, including the Grade 3 Water Treatment Operator and Grade 4 Water Distribution Operator certifications. Aceves plays a key role in ensuring safe retail and wholesale water supply deliveries to district customers.

Special recognition also was given to Ray Harton, manager of finance and administration, for his 10 years of service to the district.
