MONTE VISTA WATER DISTRICT HONORS EMPLOYEES AT ANNUAL AWARDS EVENT

“2012 Employee of the Year” and Service Awards Presented

MONTCLAIR, CA James Trott of Ontario was named the “2012 Monte Vista Water District Employee of the Year,” and one employee was recognized for 30 years of service at the district’s annual employee awards event held recently.

Trott, Water Systems Operator II, has been employed at the district since April 2004. His responsibilities include operation of water production, storage, treatment, and distribution facilities by regulating water flow throughout the system using control valves, pumping stations, and manual, electronic and computer controlled systems.

Co-workers who nominated Trott for the award said he is “an excellent employee who does not need to be told what to do and is always thinking ahead,” and they applaud his “dedication to district operations.” Trott, according to his peers, is “constantly striving to achieve the highest standard,” and “continues to build his understanding of the water industry – one certification at a time!”

Special recognition was given to the following employees for their years of service to the District:
