Launches year-long customer recognition programs

The nearly year-long celebration includes giveaways, contests, recognition events and a campaign detailing how far the district has come since its incorporation in 1927.

“We are so proud of the district’s long history and achievements and are thankful to our dedicated staff and customers who have helped us reach such an important milestone,” said Board President Sandra Rose. “We look forward to celebrating with our customers all year long.”

The district kicked off festivities in early December with a high efficiency clothes washer giveaway, installation included, to one lucky customer. Additionally, the district is giving away one free high efficiency toilet each month beginning January 2018 through May 2018. To enter the drawing, customers must simply like the district’s Facebook page.
